"Molino Rojo" is a flamenco tablao set in the gypsy neighbourhood of Triana, Sevilla Spain. Cristiano, a wandering gypsy boy stumbles into Triana and is immediately swept into a world of flamenco rhythms and dance.

At the tablao, he is captivated by a beautiful dancer named Satina. Zidler, owner of "Molino Rojo" and guardian of Satina, disapproves of Cristiano and Satina's love. When the Matador of Sevilla arrives to "Molino Rojo", Zidler is immediately taken in by his power and wealth and believes he is the right match for Satina. Satina is forced to choose between true love and fortune.

Karen Flamenco is a flamenco dance company directed by Vancouver's own Karen Pitkethly.

In 2010, the Karen Flamenco dance company had their debut production of "Romeo & Juliet". They toured a world of star-crossed lovers, feuding bandidas and mystical gypsies throughout BC.

This year, Karen Flamenco puts its flamenco stamp on the story of Moulin Rouge as it takes the infamous cabaret into the dusty tablaos of Triana, Spain.

Experience this young and innovative dance company as it intertwines masterful story-telling, passionate music, and spirited dancing to capture the thrill of flamenco.
